Five year old almond orchard owned by Mr. Cecil Jasper of Waterford. This orchard consists of 19 acres planted in February, 1944, with our JUNE BUD NURSERY STOCK. In 1948, when only 4½ years old, it produced 8 tons of hulled nuts. The 1949 crop totaled 10½ tons. (Figures verified by California Almond Growers Exchange.)

— THE GRANT MERRILL PEACHES —

This year we offer the MERRILL BEAUTY, (patented) a highly colored shipping peach of fine quality. It ripens about 45 days ahead of Elberta and has been selling for most attractive prices on the Los Angeles market. In the future we expect to offer other Merrill peaches as they are introduced by Mr. Merrill after thorough testing.

THE SELECTION OF BUDWOOD is the most important of all nursery operations. Our budwood sources are the best that we can find, and you may plant our trees with confidence.

We grow June Buds to order. Many growers place their order in advance of budding time (June 1st), and we give a substantial discount on these.

DELIVERY. Commercial planters may call for their trees at our salesyard. We also make truck deliveries without charge within a radius of 200 miles. Small orders are carefully packed and shipped collect by express. We guarantee all stock to pass inspection in your county, and stand any loss occasioned by its failure to do so.

SALES TAX. Kindly add 3% sales tax to the amount of your order.
